

REMARKSCompliance with 37 CFR § 1.821-1.825

On January 3, 2006, the Patent Office mailed a Notification of Missing Requirements Under 35 USC 371. In accordance with the requirements of 37 CFR §§ 1.821-1.825 and 1.52(e), Applicants are providing herewith the Sequence listing on two identical Compact Discs-Readable [CD-R].

In accordance with the requirements of 37 CFR §§ 1.52(e) and 1.77(b)(5), the sequence listing contained on both attached CD-Rs is formatted for an IBM-PC, with an MS-Windows operating system compatibility. The file contained on CD-R COPY 1 is entitled "Sequence Listing P1982R1" and the file contained on CD-R COPY 2 is entitled "Sequence Listing P1982R1". Both files were created on March 31, 2006. The byte size of each file is 8 MB.

The sequence disclosures in the Sequence Listing are fully supported by the specification as filed, and as such, do not introduce new matter.

In the above amendment, Applicants have requested entry of the Sequence Listing into the specification. Applicants respectfully request entry of this amendment and prosecution on the merits.

Respectfully submitted,

GENENTECH, INC.

Date: March 31, 2006
